

Gyro International & District II Convention – Lake Geneva, WI

Attached please, find the brochure describing the Convention along with the registration form for June 25-29, 2018.

Lake Geneva is a very popular resort due to its centralized location. It's approximately an hour's drive from O'Hare Airport in Chicago if you decide to fly.

The Resort has free parking so once you arrive you don't have to drive your car until you are ready to go home. You can ride the shuttle starting at 9:00AM from The Abbey, go to Williams Bay or onward to Lake Geneva for lunch, dinner or just to sight see or shop. The shuttle continues the same route every 2 hours until 9:00PM. The shuttle is just one of the many amenities The Abbey has to offer. Because The Abbey is a resort, there is a resort fee of \$13 per day. For more information on the amenities The Abbey has to offer, please read the back of your brochure or visit their website:

www.TheAbbeyResort.com

If you know of any member that does not have an email address, please see that they get a copy of the brochure as well as the registration form.

As the Convention gets closer, additional information will be sent to you; also reminders.

If you have any questions or concerns, please address them to Lolita & Neil Baker at their email address: LNBAKER7014@GMAIL.COM
